
**Infrastructure Committee
Meeting Minutes
May 15, 2019**

**Members Present - Stoffel, Tyrrell, Cook
Absent - President Wetherbee**

Public - Ben Kladder (Flies & VanderBrink)

The meeting was called to order at 3:50pm

No Public Comment

We received a presentation from Ben Kladder about the Village SAW Grant. He brought us up to date on the grant. The final report should be done by October of this year. I included copies of the Engineer's Estimate and the Stormwater Asset Management Plan.

Chris informed us of many DPW items that he will probably bring up in his report.

Doreen Tyrrell gave us a Planning Commission update on the Soggy Dollar Project.
