Members Absent - Tyrrell

Public - Staff - Cindy Edmondson, Chris Holton

The meeting was called to order at 3:48pm.

No Public Comment

- 1. We received a complaint about the 4th Street road end from Anne Harper. The complaint was about a pile of large rocks and broken slabs of concrete at the road access to the lake. After a discussion with Chris, the DPW will work on improving the access.**
- 2. We talked about ongoing projects. The 2005 pick-up has been replaced. The parks and trails committee recommended in place of a Gazebo at the mill pond, we build a larger structure.**
- 3. Received a report from the DPW. This included an Asset Detail Recommendation report.**
- 4. Received a report from the planning commission.**

No public comment.

Meeting was adjourned at 5:22pm.
