
**Infrastructure Committee Meeting Minutes
January 15, 2020**

Member Present: President Wetherbee, Cook, Stoffel, Tyrrell

Staff : Edmondson, Holton

Public : Ray Kellogg

The meeting was called to order at 3:47pm.

In public comment, we discussed (with Ray Kellogg) the installation of a 1" water line to the Richard Deering property on Melkild Road. We would tap in west of the last fire hydrant and the owner would run the water line to the home on his property. We called a special meeting the following Monday to work out the final details.

We received a report from Chris that more work was done at the end of Fourth Street and all parties are happy. We will re-evaluate the project in the Spring.

We discussed the Homewood Cottage Association water line project. We had a follow up meeting January 27th to go over the project and then had a phone conference later that day.

We received a report from the DPW.

We also received a report from the Planning Commission.

There was no public comment.

The meeting was adjourned at 5:16pm
