Road End Signs – Trustee Ager will submit her proposed sign language so it can be included in the packet for the October Council meeting. President Wetherbee was going to have a discussion with Sue Manson.

Parks and Rec Plan Updates – Trustee McCann noted changes that will be need to made to update the Village Parks and Recreation Plan (Driving range, trail rerouting near Levy property) and asked committee members to think of future considerations they've heard from constituents. President Wetherbee gave an update on a potential rerouting of the trail between Bramen Hill and the golf course due to possible sale of the property. It's yet to be determined if it will be necessary.

Golf Course Asset Detail – Trustee McCann went over the golf course equipment and its condition with the committee. Most of the equipment has minor/moderate deterioration. He will update any new equipment not on the list as well as replacement costs for the turf fleet.
