

VILLAGE of NORTHPORT
WATERFRONT COMMITTEE
REGULAR MEETING plus ZOOM
MARCH 15, 2022 1PM

ROLL CALL: Members present: Cook, Harper, Gremel

Staff present: Rosemurgy, Edmondson, Scott, Holton

PUBLIC COMMENT: None

DISCUSSION/ACTION ITEMS:

1. **Harbormaster Report:** Seasonal Slip Agreements for 2022 are all confirmed. All but two of the Waiting List are paid in full, and the two remaining have until April 1 to pay. Summer reservations are filling up fast. Most of the dock hands from last summer are returning and will be interviewing this week. Working with Aqua regarding the charging station for electric boats. Assessing the Wi-Fi capabilities at the marina and spoke with a representative from Affinity Technology for a quote on our camera/Wi-Fi system. Camis will be here on March 29th for computer set-up in the Dock House.
2. **Discussion of the Aqua contract** for the electric boat charging station. It was everyone's opinion that the Village attorney should have a look at it since this will cover a 20 year period.
3. **Marina Daily Receipt Recording:** There will be a meeting tomorrow involving the Harbormaster, Joni Scott, Kallie Craker and Steve Wetherbee to discuss ways to smooth the reporting of daily receipts from the marina.
4. The idea was suggested that residents of the Village of Northport that are registered voters in the village should have preferential placing on the Boater's Wait List. Food for thought.

PUBLIC COMMENT: None

Motion for Adjournment made by Mr. Harper, seconded by Mr. Cook. The motion passed unanimously.

ADJOURNMENT AT 1:48 pm
