

Village of Northport
Waterfront Committee
Regular Meeting plus ZOOM
May 17, 2022 1 P.M.

ROLL CALL: Members present: Cook, Gremel, Harper

Staff present: Edmondson, Rosemurgy

PUBLIC COMMENT: None

DISCUSSION/ACTION ITEMS:

1. **Bathroom floors:** Weather permitting, the floors will be done next Monday and Tuesday.
2. **Camera System:** We have discussed the outdoor camera operation at Haserot and South Beach parks before with regard to being able to identify people using the bathrooms. The cameras are mounted in such a way that faces are not being captured. This system will be tweaked this summer to correct that situation.
3. **Commercial Slips:** Mr. Harper is paid in full. Mr. Spears is due to turn in an invoice for the dock post installation and is expected to pay as soon as that is done.
4. **Aqua Contract:** The Village attorney has finished looking at the Aqua contract and has suggested a few changes. The Aqua folks have that information and will respond in due time.
5. **Wait List Changes:** It has been suggested and approved that Village residents in the future will receive preferential consideration for a slip. This has been structured so that no one already on the list would be affected by this change. It will take years to implement this change thus making it fair to everyone.

PUBLIC COMMENT: None

ADJOURNMENT: The meeting was adjourned by unanimous vote at 1:34 P.M.
