Village of Northport Tree Committee

April, 2023

The Village of Northport is happy to announce that we've been recognized by the Arbor Day Foundation as a TREE CITY USA. Trees enhance our quality of life present and future, as well as the health and well-being of our residents.

The Tree Committee of Northport would like to share an opportunity with you to make a donation to purchase and care for additional trees. These trees will only be planted on public property and will be cared for by the DPW of Northport.

Please send your contributions and make your checks payable to:

Village of Northport Tree Committee
P.O. Box 336
Northport, MI 49670.

Your contributions are **appreciated!**

Thanks in advance for your help,

The Village of Northport Tree Committee
