Nichole, my name is Dan cermak and my family owns the property at 10540 N. Shore drive. I am opposed to any development of the 6 acres across the road and ask that the property be reserved as natural habitat. Any development on this property would not be beneficial to the environment. Thank you for your attention to this matter.

Thank you for your input, Dan. I will be sure to place this in with other correspondence we've received.
