Statistics to Update in Northport Master Plan - by Laura Cavendish - 2/18/25

Update the Recreation Plan - this is not a statistical update, but the plan is well outside the timeline for updating.

Page 6: Confirm/update all statistics

Page 7: Update Land Use Data

Page 11: Update Wetlands Inventory

Page 12: Update/verfiy Soil Associations

Add Zoning Map

Page 13: Need to update state and county stats. Change/update seasonal housing percentage.

Page 14: Is there a new study for info in first couple paragraphs? Update all the data in the population chart.

Page 15: Update data in both charts.

Page 16: Update Boomer information, timeframe and population percentages need updated. Stats featured on page need updated

Page 17: Update UofM projections to current projections

Page 18: Update housing data in text

Page 19:: Update facts. Update Northport School registration data. Update STR data. Update missing middle data.

Page 20: Update all housing data

Page 21: Update all target market analysis data

Page 23: Update all stats about housing and STRs

Page 24: Update all data

Page 25: Update info on internet, roads and highways, and confirm infrastructure asset information is still correct.

Page 26: Update air transportation data,

Page 27: Update road classification map

Page 28: Update Recreation Facilities Map. Township lists the marina & Haserot in theirs, shoudl we list the dog park? Should the pavilion be on the map? Should trails? Highlands public pool?

Page 29: Update State Park numbers.

Page 30: Update to new rec plan if new one available.

Page 31: Update and verify stats in first paragraph.

Page 32: Update Data in the economic review and add marijuana industry.

Page 34: Update earnings and living expenses

Page 35: Is there an updated survey to cite in regulatory issues and roles

Page 36: Should we cite our own survey? there is a 2020 report that can be cited., though it may have errors

Page 48: Update to new rec plan if we have one by then

Page 50: Update to reflect new survey data.
