To: Joni <clerk@villageofnorthport.net>

Joni,

It was nice to chat with you the other day. Per our conversation, I am sending you a note regarding the plans for this year's Northport Run for Funds.

Assuming that the Village of Northport is supportive, I would like to hold the 41st annual Northport Run for Funds - a benefit for the American Cancer Society - on the morning of July 4, 2021.

The plan is to hold a live in-person activity. We will hold three events - 5K run, 2M run, and 2M walk. Participants can sign up online or register at the event. Most registrations will occur online, last minute sign up will begin at 7:30 AM, July 4, 2021. All events will begin at 9:00 AM. The race start and finish will be on Rose St near the Depot. The last runner and walker should be off the course by 10:00AM.

To make the event as safe as possible, we plan to implement the following changes to this year's race:
1) Start all events at the same time - 9:00 AM.
2) Distribute awards/medals to all participants upon completion of their individual run or walk - not hold post-race award ceremonies
3) Publish the list of the winners online

Our goal is to limit the length of time people congregate both before and after the event to facilitate social distancing.

No changes are planned for this year's race course - Rose to 5th, 5th to N.Shore , then return. Maps enclosed.

Please let me know if the Village supports holding the July 4 Northport Run for Funds race. In the meantime, I am happy to address any questions or concerns about the event.

Sincerely,

Peter Kotila
Race Director
