DPW REPORT

December 12, 2024

DPW has shifted into winter mode with plowing and sanding of Village streets and roads. We would like to remind everyone that on street parking is prohibited from 2:00am. to 8:00 am. for snow removal purposes.

Hats off to Scott Cain and crew for the exceptional job of decorating of the Village Christmas Tree. Absolutely a fantastic looking Holiday display!

DPW takes great pride in decorating and lighting of the Village street lights and the Pavilion, along with the Christmas tree located there. Big thanks to our crew!

Parshall Tree Service has completed contracted tree trimming and removal around the Village. There is stump grinding to be performed at a later date, that was also included in the contract.

DPW have been notified by DEQ District Engineer that they will meet with DPW staff, In the next week for a Sanitary Survey. A follow up report will be available, post visit.

DPW staff is making some needed repairs on our “sidewalk” sander. Unfortunately, We are waiting on a back order for a replacement part.

Happy Holidays to all !! 🎄✌🏼

Chris Holton
DPW Supervisor
